

Elmsford Library

3 Market Square, Elmsford

14 October 2026

Dear reader,

Thank you for returning the books you borrowed in September. We are happy to tell you that your library card has been renewed for another year at no cost.

From November the library will open on Sunday afternoons, and our new reading room on the first floor will offer quiet desks, free wifi and a scanner for documents.

If you would like to join the winter reading club, please sign up at the front desk before 30 November. Members meet on the first Thursday of each month.

With kind regards,

Anna Reed, Head Librarian
